

The Mighty One  
will keep you  
safe.

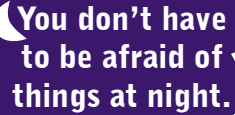

You will find safety  
under the feathers  
of his wings.

God tells his  
angels to take  
good care of you.

The Lord is your  
place of safety.

You don't have  
to be afraid of  
things at night.

God's angels  
lift you up in  
their hands.

The Lord is like a  
fort for you.

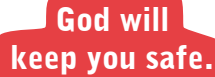

You don't have  
to be afraid of  
daytime things.

You won't  
trip over.

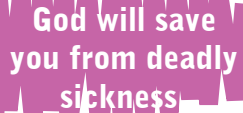

God will  
save you from  
hidden traps.

God will  
keep you safe.

God is with you in  
times of trouble.

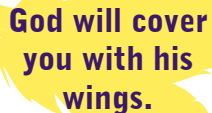

God will save  
you from deadly  
sickness.

You don't have to  
be afraid of things  
in darkness.

God will save you  
and honour you.

God will cover  
you with his  
wings.

You don't have  
to be afraid of  
things at midday.

God will give you  
a long and full  
life.
