# Psalm Bingo instructions

1. Cut along the dotted lines to create 4 Bingo cards, a spinner and lots of counters (you'll find these on 3 postcards).
2. Give each person a Bingo card and 15 counters.
3. Spin the spinner. Whichever number rests on the table, read the corresponding numbered verse from Psalm 121. Each person must choose *one word* from the verse to cover with a counter on their card. The first person to get a line of counters wins!

Make it easier by reading the words on the cards before you start.

Make it harder by aiming for horizontal lines of five words!

# Spinner and counters

for Psalm Bingo

GodVenture

Cut along the dotted lines to create a spinner and lots of counters.

Carefully make a small hole with scissors then press a pencil 1.5cm through the circle in the middle of the spinner.
